In order to induce Equipment Sales and Rentals to extend credit to the buyer named above, the undersigned does unconditional guarantee the payment to Equipment Sales and Rentals, and not merely the collection of all indebtedness of the Buyer to Equipment Sales and Rentals, whether existing on the date of this guaranty or incurred after such date, including without limitation, late charges @ 1 1/2% charged on balance not paid within 30 days and all expenses incurred in collection any such amounts. The undersigned waives demand, presentment and protest and all notices thereto and further agrees to remain bound, notwithstanding any extension, modification or waivers or upon the release, discharge or exchange of any other party or collateral, none of which shall impair the liability of the undersigned. It is expressly agreed that in the event of nonpayment by buyer the Equipment Sales and Rental may, as its option, proceed against the undersigned separately or in conjunction with proceeding against the Buyer.
